

Kimberly Mathisen, CEO of HUB Ocean and Board Member

Kimberly Mathisen is a CEO and board member who loves the challenge of helping organizations find new sources of energy and growth and more innovative and sustainable business models.

She has more than 25 years of experience as a leader in Digitalization and Technology, Branded Consumer Goods, and Pharmaceuticals in North America, Europe and Asia. Before becoming CEO of HUB Ocean, she was General Manager of Microsoft Norway for five years.

She serves on the Supervisory Board of Bayer AG and the Board of Directors of Aker Biomarine, Aker Horizons and Aize. She has been named as one of Norway's most influential leaders by Kapital and one of Norway's top female executives in technology by Abelia and Oda Network.
