

Iryna Papusha

Iryna Papusha has developed a strong personal brand as a strategic and determined business leader who blends passion with confidence to drive sustainable profitable corporate growth. Her business vision, philosophical mindset, and positive energy inspire the teams she leads to peak performance.

Iryna builds a strong experience and education in Corporate Governance. She is Independent Non-Executive Director, Chairman, and Corporate Governance Advisor. Iryna is a Harvard Certified Corporate Director, INSEAD Certified Chairman of the Board, and Ph.D. in Economics.

She also benefits from a network in different markets and international communities. This permits her to transfer competencies, contacts, and knowledge from one sector to another, this cross-fertilization enriches also her board practices. She is a Member of the Virtual Advisory Board, Woman Corporate Directors, Belgian Institute of Directors GUBERNA, Member of National Register of Corporate Directors, and the Professional Association of Corporate Governance in Ukraine. Iryna is a Member of the Aspen Institute, YPO, Harvard club, and Professional Governance Association. She is Davos 2023 speaker.
